

Planting - plant at 5 plants/m<sup>2</sup> in a double staggered row, mixing species at random. Vary spacing if tree roots get in the way.

Native hedge (19m)  
 48 no Hawthorn  
 24 no Beech  
 24 no Holly

Setting out - strip follows line of existing hedge to south. Leave minimum 3 m gap between existing hedge and new hedgeline. Strip 3 lines of turf for a distance of 19 m, and remove turf from site.

03.01.23 Consultation completed - no change required
